

I appreciate your foresight and genuine commitment to promote NEW MEXICO 1st as a state with enormous potential that can rise through the ranks and become number one in many positive areas such as health care and education for all ages and sectors of our precious and diverse population. By developing an attractive and visionary - goal oriented - logo that reflects your strong belief and mature leadership, you provide us hope, inspiration, and a goal within reach that we can achieve. You're a bright star in the galaxy of our future leadership. I wish you well as you continue to develop your intellectual property. New Mexico needs you! I'm looking forward to your ongoing creations.

Siempre,

Pete Campos
